Get Involved!

The best way to get to know your fellow association colleagues and hotel partners is to take one of the many opportunities to become personally involved with PSAE. These opportunities range from serving on a specific committee to more informal activities such as taking meeting notes at one program to be distributed to the entire PSAE membership. Volunteer opportunities include:

- Taking very brief notes at a PSAE program you might attend this year.
- Serving on the Program Committee, which coordinates each of the monthly programs.
- Writing an article for the newsletter.
- Writing a press release promoting one of our monthly meetings.
- Assisting with membership development, growth and retention.
- Helping to plan networking events.
- Assisting with the one-day Association Master's program in March 2010.

Visit www.psaе.org for up-to-date information about meetings, events and opportunities.

The Pittsburgh Society of Association Executives (PSAE) was founded in 1972 to provide an opportunity for exchange of experience and information through discussion and study at monthly meetings and conferences.
